We will inform our clients & customers of why and how we collect, use and disclose their personal information, obtain their consent where required, and only handle their personal information in a manner that a reasonable person would consider appropriate in the circumstances.

This Personal Information Protection Policy, in compliance with PIPA, outlines the principles and practices we will follow in protecting client's & customer's personal information. Our privacy commitment includes ensuring the accuracy, confidentiality, and security of our client's & customer's personal information and allowing our clients & customers to request access to, and correction of, their personal information.
